# INTRODUCTION

The 6<sup>th</sup> International Conference on Optics-photonics Design & Fabrication “ODF’08, Taipei” will be held on June 9-11, 2008 in Taipei, Taiwan. Optics-photonics design and fabrication will continue to play a significantly important role in the 21<sup>st</sup> century achieving harmony between technology and the environment. ODF’08 is intended to provide an international forum for original paper presentations and discussions of optics-photonics design and fabrication related technological and scientific topics. These topics include theory, design, fabrication, testing, applications and others.

The conference will be held at the Taipei International Convention Center which is near the highest building in the world ” Taipei 101 ”. ODF’08 is aimed to promote international collaboration among the participants in this field including related companies’ exhibition and sight seeing tour.

Collaboration and Competition make progress.

“Join us at *ODF’08, Taipei!*”

## SCOPE OF THE CONFERENCE

ODF’08 is an international forum for the engineers and scientists in field of Optics-photonics Design and Fabrication to exchange their ideas and achievements for the future mutual progress. ODF’08 will be held at the same site as OPTO Taiwan’08, the biggest optics & photonics industrial annual exposition organized by PIDA (Photonics Industry & Technology Development Association) in Taiwan. The conference will consist of the sessions for optics-photonics design, simulation, optical components, optical systems, and optical technology. These sessions will cover the field of optical theory, fabrication and testing, software, DOE’s, micro-optics, nano-optics, photonic crystals, thin films, waveguides, MEMS, Lasers, fiber communications, information optics, optical storage, optical lithography, microscopy, displays, bio-science and others.

## PREPARATION OF ABSTRACT AND MANUSCRIPTS

A limited number of original papers will be accepted for presentation. Authors are required to submit a 35-word Abstract and 2-page Manuscripts. The paper must be submitted online. Please confirm the submission procedure on the ODF’08 Home Page. The copyright of the article published in the ODF’08 Technical Digest is to be transferred to the Optical Engineering Society, Taiwan and the Optical Society of Japan (OSJ). The authors are required to agree to the copyright transfer in the online submission procedure at the same time as the 35-word abstract and the 2-page manuscripts are submitted.

### ● **35-word Abstract**

Abstract should be up to 35 words in text format. Please avoid the use of scientific and engineering symbols in the abstract. The abstract which is longer than 35 words will be shortened by the program committee. If the paper is accepted, the abstract will appear in the Advance Program.

### ● **2-page Manuscripts**

2-page camera-ready manuscripts including text, figures, tables and references must be typed single spaced on an A4 or letter size paper, with the title followed by the author's name, affiliation, and address. Accepted papers will be published in the Technical Digest of the conference. For the layout of manuscript, please see the Guidelines.

### ● **Paper Submission Date:**

**Sep. 1, 2007 - Dec. 10, 2007**

The presentation schedule will be determined after the program committee has reviewed the papers. Author will be notified by the beginning of March 2008 whether their papers have been accepted. Notification will be sent to the author listed first by E-mail or a letter. Note that it will be the author's responsibility to obtain any necessary and appropriate clearances from his/her affiliation.

## **ADDITIONAL INFORMATION**

### ● **Post-deadline Papers**

Detailed information will be announced in the Final Call For Papers

### ● **ODF'08 Special Issue of OPTICAL REVIEW**

The presented papers can be resubmitted and published in the ODF'08 special issue of the OPTICAL REVIEW, which is the journal of the Optical Society of Japan (OSJ). Application forms for the special issue will be distributed on site.

# EXECUTIVE COMMITTEE MEMBERS

## *Co-General Chair:*

C. C. Lee (National Central Univ. / Taiwan)

T. Kojima (Konica Minolta Opto / Japan)

## **Advisory Board**

### *Members:*

D. Abura (Yucaly Opt. Lab. / Japan)

M. W. Chang (Yuan Ze Univ. / Taiwan)

A. Friberg (KTH / Sweden)

Y. Ichioka (Osaka Univ. Prof. Emeritus / Japan)

M. Isshiki (Isshiki Opt. / Japan)

B. Y. Kim (KAIST / Korea)

B. Lin (TSMC / Taiwan)

Y. S. Liu (National Tsing Hua Univ. / Taiwan)

H. Ohzu (Neoark / Japan)

Y. P. Park (Yonsei Univ. / Korea)

R. Shannon (Univ. of Arizona / USA)

H. P. David Shieh (National Chiao Tung Univ. / Taiwan)

P. Shih (PIDA / Taiwan)

K. Singh (IIT / India)

K. Tatsuno (Hitachi / Japan)

K. Thompson (ORA / USA)

J. Tsujiuchi (Tokyo Inst. of Tech. Prof. Emeritus / Japan)

T. Tsuruta (Nikon / Japan)

K. Yamamoto (KM OptLab / Japan)

C. C. Yang (National Taiwan Univ. / Taiwan)

B. Zhou (Tsinghua Univ. / China)

## **Organizing Committee**

### *Co-Chair :*

J. Y. Chang (National Central Univ. / Taiwan)

T. Murakami (OITDA / Japan)

### *Members:*

B. Berge (Varioptic / France)

F. Bociort (Delft Univ. Technology / Netherlands)

C. C. Chen (National Central Univ. / Taiwan)

J. Burge (Univ. of Arizona / USA)

J. Rolland (Univ. of Central Florida / USA)

S. H. Chang (ITRI MSL / Taiwan)

W. H. Cheng (National Sun Yat-Sen Univ. / Taiwan)

J. Y. Chien (Inforay / Taiwan)

U. Dinger (Zeiss / Germany)

T. Dohi (Opti Works Inc. / Japan)

M. Haruna (Osaka Univ. / Japan)

S. Ishihara (JST / Japan)

K. Itoh (Osaka Univ. / Japan)

F. Juang (Young Optics / Taiwan)  
K. Kodate (Japan Women's Univ. / Japan)  
C. C. Kuo (CSIST / Taiwan)  
K. Kuroda (The Univ. of Tokyo / Japan)  
T. Kurokawa (Tokyo Univ. of Agriculture & Tech. / Japan)  
M. S. Lee (Chi Lin / Taiwan)  
C. F. Lin (National Taiwan Univ. / Taiwan)
